

# Tabletop Gastric Drainage Aspirator Model 270

01-22-0270

The Gomco 270 is a tabletop gastric drainage aspirator for hospitals, clinics and home care. It has two pre-set drainage levels - 90mm Hg and 120 mm Hg - with 0.25 lpm and 0.3 lpm respective flow rates.

### Key Features

- Silent operation due to a Gomco exclusive thermotic pump design
- Compact, easy to store design takes up about one-half square feet of space for bedside use
- Floor bottle basket for stability with either bottle or canister
- Disposable hydrophobic bacteria filter helps prevent fluid and aerosol contamination
