

Allied Now Offers Color Identification in a Rainbow of Regulator Knobs

What's at the end of the rainbow?

Easy Identification

Know at a glance which department a regulator belongs to.

Better Security and Patient Coverage

All regulators in a given floor or department can have a single color. Cut down on borrowed and missing units.

Improved Accountability

Easily recognize the cost center involved during maintenance and repair, without reviewing paperwork or identification codes.

Cost Savings

There is no extra charge for choosing color identification, unlike some other offerings in the market.

Colored knobs are offered for all variations of adult and pediatric Vacutron® Suction Regulators.

Models

- Continuous
- Intermittent
- Continuous/Intermittent
- Surgical
- High Vacuum
- Low Vacuum

Colors

- Black Default
- Gray -G
- White -WH
- Blue -B
- Yellow -Y
- Red -R

HOW TO ORDER

Black is the default color for regulator knobs. To order a specific color, simply add the suffix to the regulator of choice. For example, to order a continuous suction regulator with a white knob, simply request 22-13-0100-WH.

Remember, there is no extra charge for a colored knob!

To retrofit your existing suction regulators, packs of knobs (3 per pack) are available in each color at a modest price.

Black 22-95-2009
Gray 22-95-2009-G
White 22-95-2009-WH

Blue 22-95-2009-B
Yellow 22-95-2009-Y
Red 22-95-2009-R
